2. As sole owner in the captioned application, National Instruments Corporation hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173, as shortened by any terminal disclaimer filed prior to the grant, of any patent granted on pending second Application Serial No. 09/518,492 titled "System and Method for Programmatically Creating a Graphical Program" filed on March 3, 2000. National Instruments Corporation hereby agrees that any patent so granted on the captioned

application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the captioned patent application and is binding upon the grantee of such patent, and its or his successors or assigns.

3. In making the above disclaimer, National Instruments Corporation does not disclaim the terminal part of any patent granted on the captioned patent application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 to §156 and §173 of any patent granted on the second application, as shortened by any terminal disclaimer filed prior to the grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

4. The undersigned is an attorney of record.

The Commissioner is authorized to charge any fees which may be required to Meyertons, Hood, Kivlin, Kowert & Goetzel PC Deposit Account No. 501505\5150-45900\JCH.

Respectfully submitted
